

The University of Vermont

## COLLEGE OF ARTS and SCIENCES

Hi Student:

This summer, UVM is offering a number of fascinating online courses that can change your world.

One example is **Anthropology: Gypsy Road**, taught by Dr. Jonah Steinberg, whose current research, funded by a multi-year grant from the National Science Foundation, explores the lives of runaway children in North India and investigates the intersection of poverty, domestic crisis, and cultural models of childhood in their home contexts.

We've got you covered with more than 50 College of Arts and Sciences courses available this summer, including:

- Anthropology
- Biology
- English
- Global Studies
- Women's Studies
- Diversity Courses
- Philosophy
- And More
